

REP. LAUREN CHEAPE MATSUMOTO

HAWAII STATE HOUSE REPRESENTATIVE

Aloha Friends and Neighbors,

Every year I visit each of your households to talk to you about issues that you care about, but in order to respect your health and safety during COVID-19, we will not be able to meet in person. However, I still want to connect with you to see what you think the State should do differently after the COVID-19 crisis. We've been given a rare opportunity to "reset" our long term vision for the economy and other priorities, policies, and programs. I want to hear your ideas about anything you think the State should do differently (or continue doing well) as we start to recover and reopen.

I can't wait to hear your ideas for making Hawaii an even better place to live, work, and raise our keiki.

Sincerely,

Lauren Cheape Matsumoto

VOICE YOUR OPINION!

I always strive to represent my constituents' concerns and interests and truly value your input and suggestions for the **long term vision** for our State. In a representative government such as ours, it is essential that I know what you are thinking in order to do my job. Please complete the **"STOP, START, CONTINUE"** brainstorm located within this mailer. You can mail your responses to my office or complete it online at **RepMatsumoto.com**. Mahalo!

Every year when session is over I go to homes in my community to hear concerns and community issues that need to be addressed. But because of the COVID-19 crisis and out of a concern for health and safety, I won't be going door-to-door this year. I still want to hear what you think is important for our State and community, so I created a survey inside where I ask you what we should START, STOP, and CONTINUE doing as a State. I'd love to hear your feedback on the things we should do differently as we start down the long road to recovery. Mahalo!
