## 2019 Legislative Info Survey

Aloha Friends and Neighbors!

As we head toward the 2019 Legislative Session opening January 16, the Capitol is again buzzing with excitement! Legislators and staff are now preparing for the flurry of activity ahead as we work together on the issues that matter most in our state.

Constituent input on the recent 2019 Legislative Survey helped me know your main concerns, which continue to guide my legislative efforts. Homelessness and cost of living continue to lead the list of concerns. Heading into the next few months, I am also considering matters uniquely affecting District

**PUBLIC ACCESS ROOM**

Here at the capitol we have offices with our state officials and so many people who are involved in running our government. Since the most important part of our government is the people, we have a room that is dedicated to the public! It is called the Public Access Room.

The Public Access Room is located on the fourth floor in room 401. The Public Access Room is designed to enable you to participate more fully in the legislative process. In the public access room, anyone can have access to use computers and the internet. You can also watch hearings that are going on at the capitol. The staff is there to assist you and answer your questions.

Is there an issue or bill that you are really passionate about? The Public Access Room can help you write and submit your testimony for a public hearing!

# Opening Day

## Hawaii's 30th Legislative Session

This opening day marked the of the 30th Legislature of Hawaii! On this opening day, the legislature had the first session and invited all members of the community to join us at the capitol to welcome in the new year. Members of the community, students, and legislators came together to celebrate the opening of the new legislative session where legislators from all over our state will be proposing and passing laws that will make our state stronger.

This year also marks the 50th anniversary of Hawaii State Capitol Building! For fifty years our Hawaii state government has met at the State Capitol Building to met laws to govern our beautiful state. It is my great honor to have been a part of this legislative process for the last six years working with my friends, family, and neighbors in District 45 and representing the needs and interests of our community.

This year on opening day, I had the pleasure of being interviewed by Olelo. We discussed some of the bills that I am excited about introducing and some of the issues facing our district and our state. I am so honored to represent District 45 and our interests to the rest of our state and the world!

After reviewing the community survey and connecting with different members of our district, I have put together bills that will address our biggest concerns. I will be introducing bills that will address homelessness, cost of living, technology, health, education, and also to alleviate our traffic problems. Thank you so much for your input and collaboration in making our community a better place!

I look forward to working with you to make this a successful legislative session! Be sure to keep track of what bills are being passed and how you can be involved in the process. A great way to do this is to attend the town hall meeting in your community as well as check our website at **RepMatsumoto.com!**
