Mililani Neighborhood Board Meeting

Aloha Friends, Family, and Neighbors!

As October winds down, please check your mail for a survey from my office that will be sent out to residents of District 45 at the end of the month. I truly value your input and look forward to your responses, as serving you is my priority! If you don't receive a survey, please give my office a call, and my staff will be able to assist you.

The Mililani High School Homecoming Parade and Homecoming Game are events I look forward to attending every year! Reconnecting with classmates and teachers is always a treat. The Trojans showed tremendous effort in their 52-0 victory against Kailua. The OIA Division I Championship is on November 4th, 6:30 pm at the Aloha Stadium where our very own Mililani Trojans will take on the Kahuku Red Raiders. Let's show them some support – GO TROJANS!

Elementary and middle school students in robotics teams from around the state met in competition on Saturday, October 22 in Waialua, where the tournament was hosted. Students from Mililani were among the top ranking teams – The Mililani Masters and The Phoenixbots. The Mililani Masters and the Mid Pacific Owl Robotics worked together to win the competition and advance to the State Championship, which will be held in January.

The Phoenixbots won the Inspire Award by inspiring the judges with their STEM research project. The Mililani Masters won the Teamwork Award with the Mid Pacific Owls for building an alliance with one another and capturing the top rank of the day. Robotics is a great way for students to apply concepts from science, technology, engineering, and math.

As always, please feel free to contact me if you have questions or concerns about any happenings in our community. Call me at (808) 586-9490, email RepMatsumoto@Capitol.Hawaii.gov, or visit RepMatsumoto.com.
