Hawai'i State House Representative

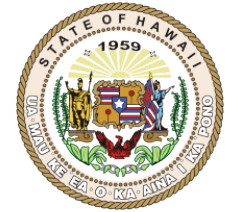

Aloha Neighbors and Friends!

I hope everyone has had a successful and rewarding year. As the year comes to a close, it's time to begin thinking and looking towards the future. The new legislative session will be starting soon.

With the holidays fast approaching, January will be here before we know it! Now is the time to begin voicing your opinions and concerns. If there are issues that you have questions about or issues that you would like addressed, please don't hesitate to contact me. The sooner we get these matters brought up, the sooner we can begin to approach them and focus on solutions.

We want to hear from you! We are here to represent the people. The only way we can represent you is if the people's voices are heard. I want to hear your voices!

Please connect with me and we can discuss issues you have concerns with, issues you would like to bring to our attention, and issues that are important to you, your family, and your businesses. Now is the best time to speak up, before the next legislative session gets into full swing.

I wish you all a wonderful holiday season. I hope you are surrounded by family and friends with love and laughter. May you all have a safe and joyous time together, celebrating the holidays.

As always, if you have any questions, concerns, or comments about happenings in and around our community, please don't hesitate to contact me.
