## March Mililani Town Hall

Aloha Friends and Neighbors!

I would like to invite you to the 2019 Session Mililani Town Hall meeting on April 3 at 6:30 p.m. at Mililani Uka Elementary School. I will be hosting the town hall along with Representative Okimoto, Council Chair Emeritus Ron Menor, and Councilmember Heidi Tsuneyoshi. Please join us and share your concerns and opinions on issues that matter to you. Thank you so much for helping your legislators to better represent your needs!

At the Town Hall I will share my 2019 Bill Package which I based off of the survey that members of the District 45 Community completed. Full survey results will be available at [RepMatsumoto.com](http://RepMatsumoto.com)!

### Legislative Updates

At the town hall, I will be discussing my bills and resolutions that are moving through the legislative process. My bills are relating to

Based on what you shared, my office worked hard to create bills that would address the issues that are most important to you and your families. This Session, our bill package includes bills that address cost of living, homelessness, health and safety, and government transparency.

government transparency and the resolutions are relating to child abuse prevention, bleeding disorder awareness, tardive dyskinesia awareness, and training for condominium association board members.

I will also be discussing bills that our community has expressed are important issues to them. Some of these include minimum wage, decriminalization of cannabis, vaping, and homelessness. I hope to see you there and hear your opinions on how I can best represent you!

## Public Access Room

The Hawaii State Legislature's

**PUBLIC ACCESS ROOM**

Here at the capitol we have offices with our state officials and so many people who are involved in running our government. Since the most important part of our government is the people, we have a room that is dedicated to the public! It is called the Public Access Room.

The Public Access Room is located on the fourth floor in room 401. The Public Access Room is designed to enable you to participate more fully in the legislative process. In the public access room, anyone can have access to use computers and the internet. You can also watch hearings that are going on at the capitol. The staff is there to assist you and answer your questions.

Is there an issue or bill that you are really passionate about? The Public Access Room can help you write and submit your testimony for a public hearing!

## Recent Events

### Character Counts

On February 16th, the Mililani community threw a fair at Mililani High School called Character Counts where we played games, won prizes, and celebrated having good character. This year we focused on caring for our family, friends, and community.

### Hope Street Fellow

I got the privilege of hosting Hope Street Fellow, Verona. She has spent her 13-year career working in various schools and has been at her current school, Mililani Waena Elementary School, for two years. Her love for children and desire to do what's best to meet their needs drives her to acclimate to her surroundings and engage in learning about diverse cultures. We had a wonderful day learning from each other.

### Educator Recognized

The Hawaii State House recognized Corinne Yogi, principal of Kipapa Elementary School on the house floor for all of her exceptional work in the Mililani community. I'm honored to work alongside people like Corinne to make our community better!

### Jump Rope for Heart

One of my favorite events is Jump Rope for Heart. I got to talk to students from Holy Family School about heart health. I am so thankful for opportunities to engage with kids on issues like this and be involved in helping them to make a change!

### Students Toured the Capitol

I had the opportunity to take several groups of students around the capitol and teach them about their state government. I'm so glad that Mililani High School AP Government and SCC high school and middle school students were able to come visit!

### Healthcare Hero

Dr. Sawai was honored on the floor of the state house and senate today for being one of Hawaii's Healthcare Hero's. Dr. Sawai was my Uncle Jeff's doctor when he learned he had Stage 4 colon cancer in 2015. Dr. Sawai has fought for him since then and he admits he wouldn't be here today without her. I was very honored to say a few words about her on the house floor on behalf on my family.

# Now Accepting Internship Applications!

We are currently recruiting high school and college interns for our office! This internship provides a rare opportunity to gain insight into our local legislative process and how we work to improve our community, district, and state.

The Hawaii State Legislative Session takes place between January and May every year, and students who are sophomores and above are eligible to apply. Year-round internships are also available for interested students!

Acceptance into the internship program are based upon the applicant's experience and interests. For high school students, the internship primarily consists of attending scheduled events in the community and a tailored internship based on the student's ability to come to the Capitol.

For more information, please visit [RepMatsumoto.com/s/internships](http://RepMatsumoto.com/s/internships) or call my office and ask to speak my office manager, Mark Clemente.
