Mililani Neighborhood Board Meeting

Aloha Friends, Family, and Neighbors!

August & September have been exciting and action filled months. School has started again and with that I would like to highlight our high school internship program. Our current intern Travis Afuso is a senior at Mililani High School and has been with my office for four years now. Travis recently attended the Board of Education General Business Meeting on my behalf where he took extensive notes.

An internship at the Hawai'i State Legislature provides ambitious high school students with a rare opportunity to work alongside my staff at the House of Representative and at community events. Interns will be involved in an experiential learning process which provides insight into elective politics, and the opportunity to observe first-hand the legislative process. This type of learning links classroom learning and the professional world. It will provide them with professional development including the building of communication and teamwork skills, and the establishment of local networks and contacts.

I am also excited to be attending the Mililani High School Homecoming Parade and Homecoming Game this Saturday. I look forward to this event every year it is such a wonderful time for our community to come together. Best of luck to our Trojans let's hope they can keep the winning streak going!

I am also happy to announce that on Aug. 10th, I went into labor. This is my husband Scott and my first child! Two days later our son, Noah Kamaluho'okele Matsumoto was born on August 12th at 3:47 in the afternoon weighing 7lbs. 9oz. We feel so blessed to share this wonderful news with all of you!

As always, please feel free to contact me if you have questions or concerns about any happenings in our community. Call me at (808) 586-9490, email RepMatsumoto@Capitol.Hawaii.gov, or visit RepMatsumoto.com.
