

North Shore Neighborhood Board Legislative Report – September 2013

Representative Lauren Kealohilani Matsumoto

District 45 • Waialua, Mokulē'ia, Wheeler, Schofield, Kunia, Mililani •

Aloha kākou,

In my on-going efforts to enhance the flow of information and communication between us, I encourage you to visit my new website, ***RepMatsumoto.com***. Once there, you can easily let me know what you want to know (or know more) about by selecting issues that are important to you. I promise you that I won't fill up your email box, and you will always have the option to stop receiving email from me. Your participation will help with the GO GREEN initiative. By working together, we can preserve our precious natural resources by saving paper and ink, and reduce the amount of rubbish going to our landfills.

Another aspect of the website that I'm very excited about is being able to quickly gather information from you with brief survey and opinion questions. This will be especially useful to you as the 2014 Session approaches, giving you another way to make your voice heard when the pace quickens with so many things happening in a very short period of time. Please stay tuned for more information on this!

If you have questions about anything that happens either in our community or at the Capitol, you can contact me by email at RepMatsumoto@Capitol.Hawaii.gov, or by telephone at 586-9490, or stopping by the Capitol in Room 303. I always look forward to seeing you and hearing from you. Until next month, take good care!

Mahalo,

Lauren Kealohilani Matsumoto

CAPITOL HAPPENINGS

The Governor has called a Special Legislative Session to start on Monday, October 28, 2013. Be sure to check the official Hawaii State Legislature website at Capitol.Hawaii.gov for the most accurate and up-to-date information on the Special Session. Although the Special Session is a month away, check the site often for updates on times and locations of hearings, and instructions on giving written or oral testimony.

The Interim is a great time to visit your Capitol. Tours can be arranged for groups, and they provide a fun way to learn about the unique architecture of the United States' newest Capitol. Hawaii's Capitol is the most open and most easily accessed of all the state capitols in the United States! Call my office to arrange a tour for your group.
