COMMUNITY SURVEY RESULTS

The Results are In!

Thank you to everyone who participated in the survey. Your voice has been heard! Many of you shared concerns over Homelessness, the Cost of Living, and other common matters. For a comprehensive summary of responses, please visit repmatsumoto.com. Here you can see how constituent concerns for District 45 stack up against our district's concerns for the state of Hawaii as a whole.

I hear and appreciate your input. Let's work on improving our community together!

Aloha Neighbors, Friends & Family,

As we head toward the 2018 Legislative Session opening January 17, the Capitol is again buzzing with excitement! Legislators and staff are now preparing for the flurry of activity ahead as we work together on the issues that matter most in our state.

Your interests are, as always, top of mind. Constituent input on the recent 2018 Legislative Survey helped me know your main concerns, which continue to guide my legislative efforts. Housing access and affordability continue to lead the list of concerns. Heading into the next few months, I am also considering matters uniquely affecting District 45, such as the cost of living, opiate prescription use and awareness, computer science in our schools, and educational opportunities for females in science and technology.

If you'd like to be fully connected to the Capitol happenings throughout session, go to the Hawaii State Legislature website (Capitol.Hawaii.Gov) to create an account. You can sign up to automatically receive selected updates or even actively participate by submitting testimony. If you have questions or need assistance, feel free to give my office a call!

This Session, our office comprises Office Manager Mark Clemente and Legislative Aides Angela Henderson, Jessica Stenz, and Geno Tamayo as staff; and high school intern Travis Afuso. We are still looking to add two interns from high school or college to the office. College candidates should have an interest in gaining exposure to the legislative process, a desire to work with constituents, and be eager to provide general office support. Waialua High School candidates have the option to be involved both at the capitol as well as directly in the community. Interested in joining our team, or know someone who would be a good fit? You can find details and apply at RepMatsumoto.com/information/internships. We'd love to have excellent team members on board!

Additionally, we have been working hard this past year to update our website RepMatsumoto.com! We will be launching the new site at the end of January. Our next article will highlight all the new features of the site geared to better serve you!

As always, please feel free to contact me if you have questions or concerns about any happenings in our community.

Mahalo,

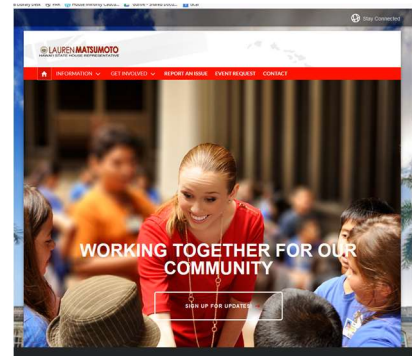

Lauren Cheape Matsumoto
