APRIL 2020 • COMMUNITY NEWSLETTER  
UPDATE

District 45 - Mililani • Kunia • Schofield • Wheeler • Waialua •  
Mokulē'ia

## Aloha friends & neighbors,

Although I haven't been able to give an in-person report these last two months, I wanted to provide you with some updates about what my office and I have been working on during the Stay-at-Home, Work-from-Home order as well as provide some resources that may be helpful for you or those in your networks. Normally at this point in the year, we'd be in the midst of conference committees and the final rush to complete and send legislation to the governor. I'd also include a list of significant bills and an early analysis of this year's supplemental executive budget. But since the legislature is still in recess, this newsletter contains information about some of the community serve initiatives my office and I have been working on the last few months.

I look forward to delivering future updates in-person soon. In the meantime, please continue to stay safe, healthy, and I eagerly anticipate working with my colleagues in the legislature to pursue a swift economic recovery. My staff and I are still working remotely to serve you, so please don't hesitate to contact us with any questions or concerns.

Mahalo,

(808) 586-9490

## #malamamasks

The #malamamasks project has helped us donate thousands of masks to essential workers in our community. I started the mask sewing drive in the middle of March when I realized that my mother was interacting with hundreds of customers a day at my family's egg farm Petersons' Upland Farm. Since my husband Scott is a firefighter at the Waialua fire station, I know how important it is to save N95 masks for medical workers and first responders, but I wanted to help protect workers like my mother. So I started #malamamasks for workers at places like Waipio Costco, numerous restaurants from Mililani to the North Shore, and the entire Honolulu Fire Department. On behalf of the essential workers throughout our neighborhoods that are benefitting from these masks - a huge mahalo!

# 2020 Midsession Survey Results

Mahalo to everyone who responded with their thoughts on these very important issues. Although the legislature is recessed due to COVID-19 and these bills will most likely not be moving forward this year, your input is invaluable as many of these ideas will be considered by the legislature in future years.

Surveys were mailed to registered voters in District 45 and responses could be made via postcard or online at RepMatsumoto.com. Just over half responded by postcard for a total of 214 completed surveys.

Results will also be made available on RepMatsumoto.com under the "Midsession Survey" heading.
