

I want to say a heartfelt mahalo to everyone on the North Shore for the opportunity to serve you. With the new district lines I will no longer have the privilege of representing you after November. Please stay in contact with me and do not hesitate to call or email my office if you have any questions or concerns. Mahalo from the bottom of my heart!

HAWAII STATE REPRESENTATIVE
REPRESENTATIVE LAUREN MATSUMOTO

It Has Been My Honor and Privilege to Serve You for the Past 10 Years

As some of you may know, the Reapportionment Commission has recently released the re-drawn maps for the 51 districts in the state of Hawai'i. It is with great sadness and heartfelt gratitude that I share that in the newly drawn maps I am losing the Waiialua and Mokuleia areas of the district.

What is Reapportionment?

Reapportionment occurs every 10 years to ensure that each political district has been created equally using census data. The maps are drawn by a Reapportionment Commission who reviews the distribution of the population to attempt to ensure that citizens are equally represented.

A Heartfelt Mahalo

Aloha friends and neighbors,

Starting in 2023 the reapportionment of the 51 districts of Hawai'i will take place, and sadly that directly affects the 45th district that I have had the honor of representing for the past 10 years. It is with a heavy heart that I announce I will be losing the Wailalua and Mokuleia portions of my district after 2022.

It has been my honor and privilege to serve you in the State House for the past 10 years. It has been an absolute pleasure and I have truly loved every minute of it. From reading in the schools, to town hall meetings, Trunk or Treats, and so much more. I will cherish the memories made with all of you. I am so proud of the accomplishments we have achieved during this time, and am so encouraged for the future.

With that being said, I want to say mahalo for working together with me for our community. I will still be your Representative until the November election so please don't hesitate to reach out to me anytime.

Mahalo Nui,

Lauren Cheape Matsumoto
